DINplus Certification of wood pellets according to DIN EN ISO 17225-2 (2021-09) and DINplus Certification Scheme (2021-11) - Surveillance 2023 & Alteration (Update to new Certification Scheme) – Procedure No. 3368120 – Registration No. 7A312

Dear Mr. Kakiet,

We herewith confirm receipt of the required verification documents (inspection report number PL021_2022_12_06 dated 2022-12-06 by Control Union Certifications Germany and the laboratory test report number 4358/2-2/2022/S.M dated 2022-12-22 by ŁUKASIEWICZ RESEARCH NETWORK) for your certificate with the registration number **7A312**.

The evaluation of these documents has shown that you remain entitled to use the *DINplus* quality mark in connection with the corresponding registration number.

Since the inspection and laboratory testing was successfully conducted according to the new *DINplus* Certification Scheme "Wood Pellets class A1" (Edition: 2021-11), we issued a new certificate, which displays the new scheme and new version of the DIN EN ISO 17225-2 (Edition: 2021-09) as well as the respective new *DINplus* logo.

Please find enclosed your new *DINplus* certificate in German and English language.

Please pay attention that you can find your certificate(s) in our online database (<https://www.dincertco.tuv.com/?locale=en>), as well.

Finally, please find enclosed our invoice number 50233591 dated 2023-01-19 for the rendered services of DIN CERTCO. Kindly send your remittance as soon as possible.

For further information, please do not hesitate to contact us.

Kind regards,

**DIN CERTCO Gesellschaft
